Maxlife wireless power bank MXPB-05 20W PD 5000 mAh magnetic black

OEM102901
5906961945655

The Maxlife MXPB-05 power bank is an elegant and functional device with MagSafe technology, offering fast wireless charging up to 15W. The magnetic attachment ensures stability, while the support for standard wireless charging increases compatibility. With a USB-C port, it allows for fast wired charging with 20W power and simultaneous charging of two devices. Its slim design and metal casing combine durability with mobility, making it a practical accessory for everyday use.

Specification

Battery type:	Li-Poly
Input voltage:	5 V - 3 A/ 9 V - 2 A
Output voltage:	DC 5V/3A, 9V/2,22A, 12V/1,67A, 20W (PD)
Brand:	Maxlife
Colour:	black
Accumulator capacity:	5 000 mAh
Output port type:	USB-C
Maximum power [W]:	20 W
Inductive charging:	yes
Cable in set:	no
Warranty:	12 mc
