The Epoxy Mag series covers are stunning, transparent cases with a unique epoxy layer that gives them a luxurious, multidimensional look. The use of epoxy emphasizes the depth of the pattern, reflects light, and makes the cover look exceptional from every perspective. The built-in MagSafe with a strength of 2500 Gs ensures stable and secure attachment of accessories as well as convenient charging without removing the case. The slim design maintains the lightness of the phone while effectively protecting it from scratches and everyday use. Epoxy Mag is a premium offering that combines “wow” design with functionality – ideal for both retail and B2B offers.
