The Smart Classic case is an elegant and functional cover made of high-quality material that mimics natural leather. The matte black cover gives the case a chic appearance while providing protection for the phone against scratches, shocks, and other damage. The interior of the case features three carefully stitched card pockets, allowing for convenient storage of important documents in one place. The magnetic flap adds extra security to the cover, preventing accidental openings. Precise cutouts enable easy access to all ports without limiting the device's functionality. Three openings on the outside allow for phone calls without opening the case, making the use of the phone comfortable and practical. The Smart Classic case combines style with protection, creating the perfect solution for smartphone users.
