Discover luxury in everyday style with the Guess bag, designed for elegance and functionality. The iconic pattern and subtle Guess logo give it a unique, recognizable character. Made from high-quality eco-leather, the bag presents itself as exclusive and modern. Perfectly fitted for laptops with a screen diagonal, it combines security with fashion. The main compartment with a zipper and practical pockets ensure perfect organization. The adjustable shoulder strap allows you to customize the bag to your own needs and preferences. With a special securing strap, the bag also serves as an indispensable travel companion. The stylish design in black is suitable for both the office and university or business meetings. This is a licensed product by the Guess brand – a guarantee of quality and prestige. The bag from the Guess collection is a must-have for women who want to combine a chic look with practical solutions.
