AK-AD-04

High-quality, aesthetically made Akyga® AK-AD-04 HDMI adapter. Connects an HDMI cable to a device with a mini-HDMI jack. It is used for the installation of cables for audio and video devices, such as TV sets or home cinema sets. The adapter has gold-plated tips. High precision of its manufacture allows for signal transmission of the highest quality. The adapter supports HDMI version 1.4. The adapter is bi-directional, which means it supports data transfer in both directions.
