

LCD Display with touch screen iPhone 12 Mini Service Pack + ZY black

OEM0101096

Service Pack + is a refurbished original display. All elements are original except for the protective windshield which is a high quality replacement. The screen has all the necessary elements for mounting on a smartphone: - camera holder, - sensor holder, - speaker cover, - sponges on tapes. The sponges prevent the tapes from bending too much and detaching when using the phone.
