KLA2HNIKTCK

Fashionable and stylish Karl Lagerfeld case from the Choupette Head collection for your AirPods Pro headset. This unique case, featuring a charming graphic of the world's most famous cat Choupette, is all you need to look stylish and fashionable. With embedded shimmering glitter you will stand out in the crowd and attract attention. The Choupette Head collection is made for anyone looking for a unique case to protect their AirPods. The case effectively protects the Apple AirPods wireless headset docking station from surface damage and possible loss. The design is enriched by a practical ring which allows the case to be attached to a bag, keys, backpack, lanyard, etc.
