The new Glitter Gradient collection sets the standard for unique taste according to Guess. It is distinguished by uncompromising quality and integrity with its own image. The excellent quality is confirmed by the GUESS logo highlighted by a glitter gradient. The expressive look of the fashionable cases will emphasize your everyday, unique style. In addition to unusual visual effects, the case guarantees the phone's safety against unwanted scratches and damage. It was made of durable materials - a combination of strong and hard polycarbonate (backs) and flexible TPU silicone (sides) - which securely surrounds the device, adhering to it perfectly.
