

MERCURY SILICONE CASE SAMSUNG S25 ULTRA GREEN

MSC000361
8809972611083

The Mercury Silicone Case provides excellent grip and a precise fit, as well as the pleasure of using the phone while maintaining its full protection. The case is made of high-quality material, which, as a result of the combination of silicone, polypropylene, and polyurethane, provides both a flexible and pleasant-to-the-touch cover. To protect the phone from scratches, the inner surface of the case is coated with microfiber.
