

FOOF eGo leash with case for e-cigarettes

E-P000053
5901738901551

FOOF leash with case for electronic cigarettes is an accessory that greatly simplifies e-smoking during walking, driving and during doing something by both hands. The cutout in the cover gives instant access to the button on the battery and allows the using of e-cigarette without removing it from the case. Long ribbon allows you to choose the amount of suspension of both those high and low. Note: The package does not include an e-cigarette.
