The Smart Pro leather case is a combination of classic and modern design. The elegant stitching in the color of the inner material adds exceptional elegance to the case. The interior of the case is made of soft microfiber, which effectively protects your device from scratches. On the inside of the product, there is a single card pocket, so you don't have to bring your wallet with you all the time. The additional "stand" function allows you to position your phone in a way that lets you comfortably watch videos or browse photos.
