Produkty w innych kolorach

The Etteri Silicone Mag case is a stylish and functional protection for your phone. Thanks to the built-in magnets, it is fully compatible with MagSafe chargers. The interior is lined with microfiber, protecting the device from scratches and shocks. A special coating protects against scratches and dirt, while the raised edges protect the camera lens. The product is available in several colors to choose from: black, dark blue, raspberry, light blue, and light pink.
