Nillkin Super Frosted Shield Pro is an enhanced version of the iconic case that offers an even higher level of protection in an elegant form. Made from a combination of flexible TPU and hard PC, it effectively protects the phone from shocks, drops, and scratches. Reinforced corners and raised edges further safeguard the screen and camera. The non-slip, matte texture improves grip and reduces the visibility of fingerprints. It is the perfect choice for those who expect durability, a perfect fit, and a premium look.
