Forever wireless power bank WTB-100 PD QC 18W 10000 mAh with suction cups black

The WTB-100 power bank is a practical and durable device, thanks to which you can charge your phone even in the most extreme conditions. Reinforced housing provides protection against water, dust and mechanical damage, making it ideal for trips and travels. The 10,000 mAh capacity allows you to charge the phone several times. USB + USB-C outputs allow you to connect various types of devices. USB-C supports PD 18W fast charging, and the z USB socket supports QC 3.0 18W fast charging. Inductive charging is at 10W according to the Qi standard.
