

Kindle Touch 8 Wi-Fi 2016 e-book white with commercials

TABAOEREKIN00001
841667100418

The Amazon Kindle Touch 8 Wi-Fi with ads is a completely new, lighter, and thinner design. It weighs just 161 grams - fitting into any pocket. The use of new fonts makes reading easier. E-ink technology does not strain the eyes, providing the same effects as reading a traditional book. The use of Wi-Fi technology in the reader allows for internet access. The 4 GB of built-in storage can hold over 1,000 books.
