

# Blaupunkt Boombox BB31LED

RTVBOBLAURAD0020  
5901750502620

Classic Boombox equipped with FM radio with digital synthesis and the possibility of programming 20 radio stations and playing CDs or your favourite music files via the USB port. A large, easy to read LCD display, functionality and ease of use at the same time make this radio player can be used to play audio books, but also as a portable source of entertainment. The BB12's versatile colour scheme means it will fit in with any child or teenager's room, as well as a classroom or office space. Available in four different colours to best suit your character.
