Product: Baseus Compact Quick Charger U+C 20W EU is a revolutionary solution in the field of fast charging. With a power of 20W, compact size, and two ports, you can charge your devices quickly, safely, and conveniently, wherever you are. An ideal choice for those who value efficiency and mobility. Key features: PD 20W fast charging: Significantly reduces the charging time of devices. Compact size: Miniature, lightweight, and easy to carry. Dual charging port: USB Type-C and classic USB, allowing simultaneous charging of two devices. Thermal protection: The housing made of high-temperature resistant PC material effectively dissipates heat and protects the battery. Versatile compatibility: Supports PD 3.0, QC 3.0, Apple2.4, BC 1.2 protocols, ideal for both Apple and Android devices. Device compatibility: Apple: iPhone 8-13, iPad Pro (various generations), and more. Huawei/HONOR: Mate 30/20 Pro, P30/20 Pro, Nova 7/6 Pro, and more. Tablets: iPad Pro 12.9", 11", 10.5", iPad 7th/6th. Others: Power banks, portable fans, wireless devices, desk lamps. Advantages: Speed: Charges iPhone 12 up to 50% in just 30 minutes, 3 times faster than standard 5W chargers. Safety: Overheating protection and durable construction. Practicality: Small size and versatility make it an ideal choice for home, office, or travel.
