Maxlife MXUC-06 cable USB-C - Lightning 1,0 m 20W grey nylon

OEM0101121
5900495054425

Appearance and functionality Maxlife MXUC-06 are pastel cables with a nylon sheath. Their elegant and durable plugs are resistant to abrasion and oxidation. Braided nylon fiber fabric wrapped tightly around the cable for durability and flexibility. MXUC-06 do not tend to tangle and fray.Stylish colors and nylon reinforcement not only look good, but also better organized. No more searching for the right cable among several identical products. Safety and power The cable transmits charging power up to 20W and ensures the safety of the phone and battery. Smart charging technology prevents overcharging, overheating of the smartphone and ensures stable charging. Maxlife uses Power Delivery technology in the MXUC-06 product. The length of 1m is the optimal solution for chargers and data transmission.
