The TPU Glow Glam cover is a fashionable and functional case with a colorful floral motif. Made of durable 2 mm thick TPU, it combines lightweight, durability, and flexibility. The multi-layered print gives depth and a unique texture to the graphic, making the case stand out in appearance. The raised camera island protects the lenses from scratches and damage. Precise cutouts allow for using the phone's functions without limitations. Additional openings allow for attaching a strap, increasing convenience and safety during use. The case effectively protects the smartphone from impacts and scratches. The combination of TPU and PET ensures long-lasting durability of the print and protection of the device. The colorful floral design catches the eye and gives the phone a unique character. It's the perfect choice for those who value style and practicality in one accessory.
