Shine case for Samsung Galaxy S26 transparent

GSM196202
5907504588582

Shine are classic transparent covers for smartphones with a touch of glitter. They provide a universal and aesthetic type of protection. The products made of TPU material look great thanks to the thicker frame.The Shine series features covers that are 2 mm thick. The lightweight and flexible product is perfectly fitted to the device. The covers do not increase the weight or size of the smartphones. The embossed spaces for buttons and precise cutouts for ports facilitate the use of the phone.
