Produkty w innych kolorach

The Mag Matt cover is a slim case made of a combination of flexible TPU and durable polycarbonate. The matte, semi-transparent back is resistant to fingerprints, and the reinforced edges provide additional protection for the phone. The raised edges protect the screen and camera from contact with surfaces. The built-in magnetic ring with a strength of 2500 Gs ensures a stable connection with MagSafe chargers and accessories. The case is available in five color variants and packaged in an aesthetic resealable bag.
