Safepop case with strap for iPhone 17 6,3" blue

GSM275698
5907674545002

The SafePop cover is a durable case with a hybrid design made of TPU and polycarbonate, effectively protecting the smartphone from the effects of drops and impacts. Reinforced corners, raised edges around the screen and camera, and a thickness of 2.3 mm enhance the device's safety on a daily basis. The model also features openings for a keychain and strap, as well as a nylon wrist strap, improving convenience and reducing the risk of dropping the phone. The frosted, semi-transparent back minimizes the visibility of fingerprints and minor scratches, while precise cutouts and button covers ensure comfortable use.

Specification

Brand:	TFO
Colour:	blue
Thickness:	2,30 mm
Material:	PC TPU (thermoplastic polyurethane) nylon
