The Smart Classic case is an elegant and functional cover made of high-quality material that mimics natural leather. The matte black cover gives the case a chic appearance while providing protection for the phone against scratches, shocks, and other damage. The interior of the case features three carefully stitched card pockets, allowing for convenient storage of important documents in one place. The magnetic flap adds extra security to the cover, preventing accidental openings. Precise cutouts enable easy access to all ports without limiting the device's functionality.
