Experience a fusion of style and reliability. HAMMER BLADE Va 5G is a smartphone that, beneath its sleek surface, hides a construction resistant to water, dust and shocks, as evidenced by IP69 certifications and the military MIL-STD-810H. The phone also supports 5G networks and NFC payments, making it a great companion for your everyday adventures. Connectivity without limits. Thanks to 5G support, the smartphone lets you enjoy lightning-fast Internet even in the most crowded places.
