NOKIA 5310 allows you to play MP3 music and listen to FM radio. Separate music buttons and two powerful front speakers allow you to listen to music in any combination - anywhere, anytime. The Nokia 5310 - with its easy-to-use buttons, gentle curves and comfortable grip - is a new version of the former user's favourite: a cult design in a refreshed edition. With the Nokia 5310 you will gain energy and readiness for everyday challenges. With a long battery life, durable design and reliable technology, you can rely on it.
