The Nokia 2660 Flip is a flip phone that allows you to stay in touch with the people that matter most to you. The large display, easy-to-use interface and long battery life make it easy to chat and write messages. Audio volume settings and hearing aid compatibility aid the perception of sound. And the alarm button allows you to immediately contact a loved one if necessary. Large buttons and a clear 2.8-inch display with an easy-to-use interface make messaging and making calls extremely easy.
