

Smart Magnet case for Honor 400 black

GSM192265
5906961998361

The Smart Magnet case is an excellent combination of protection and style, made from durable material with an interesting texture and a pleasant touch surface. The interior of the case is soft, effectively protecting the screen from scratches. An additional advantage is the practical pocket for cards or banknotes. The perfectly fitted TPU silicone overlay guarantees a stable hold on the phone while providing easy access to all ports and buttons – without the need to remove the device from the case, even during charging. The case is equipped with an intelligent magnetic closure with hidden magnets, eliminating the need for a clip. The Video Mode feature allows you to bend the back of the case, transforming it into a convenient stand for watching movies or photos in a horizontal position. The raised edges of the silicone insert further protect the display, and the slim design ensures that the case does not bulk up the phone, maintaining its portability and aesthetics. Product images are for reference. Each case has appropriately fitted cutouts for the specific phone model.
