LCD Display with touch screen iPhone X HARD OLED GX COF

OEM001887 5900495821591

The product is a display made in OLED technology. It has all the necessary components for mounting on a smartphone: - camera holder, - sense holder, - speaker cover. Each panel is secured with foil, which is to protect the screen from damage. The glass used for the production of the panel is highly durable, which makes it more resistant to scratches and cracks.
