LED Bulb GU10 7W 230V 3000K 90lm 38° Forever Light

Forever Light bulb is the highest quality and the best way to save money. The energy efficiency of the product is up to 90% compared to a traditional light bulb. You will forget about replacing bulbs - longer life, high strength and quality, higher durability than a traditional bulb. Thanks to the latest technological solutions we can enjoy stable, pleasant light. Forever Light bulb is suitable for every living room, office, decorative lamps. The product does not contain harmful mercury. The GU10 bulb with a narrowed light angle of 38° is dedicated for installation in soffits and impressive lighting of the house facade. It can also be used inside to illuminate decorative elements such as paintings, photographs on walls, sculptures, souvenirs etc. Thanks to the lens used in the diffuser, the light is spot-centred and gives a perfect lighting effect!
