Buy now

A 10,000 mAh power bank with a built-in cable set—one USB for charging the power bank and three for charging different devices (micro USB, Lightning, and USB-C). It provides safe charging of a device while traveling, during daily city commuting, and anywhere there is no access to electrical outlets. Even multiple phone charges will be possible thanks to the large 10,000 mAh capacity and 10 W of power.
