

Forever power bank TB-411 ALLin1 10000 mAh with cables USB-C + Lightning + microUSB black

GSM103789
5900495878236

Power bank with a capacity of 10,000 mAh featuring a built-in set of cables - one USB for charging the power bank and three for charging various devices (microUSB, Lightning, and USB-C). It ensures safe charging of devices while traveling, during daily commutes in the city, and everywhere else where there is no access to electrical outlets. Even multiple phone charges will be possible thanks to the substantial capacity of 10,000 mAh and a power output of 10 W. Additionally, the power bank functions as a charger - you can charge the power bank while simultaneously charging another mobile device from it.

Specification

Packages type: box

Colour: black

Output port type: USB Type-A
USB-C

Battery type: Li-Poly

Inductive charging: no

Cable in set: USB-C (built-in)
Built-in Lightning
microUSB (built-in)
USB-A (built-in)

Warranty: 12 month

Brand: Forever

Accumulator capacity: 10 000 mAh

Maximum power [W]: 10 W

Maximal current: 2 A

Input voltage: 5 V = 2 A, 10 W

Additional informations: feature to charge two devices
simultaneously
