PB97

Introducing our versatile 20000 mAh power bank, designed to keep you powered up wherever you are, including with your laptop. With its large capacity and digital display for precise power monitoring, it's the best solution for longer charging needs. Made from durable ABS + PC housing, fire-resistant and with an aluminum alloy, it houses a reliable lithium-ion battery. Equipped with two USB-C input/output ports with fast charging capability and USB ports providing efficient output power. With a total output power of 60 W for C1, 65 W for C2, and 22.5 W for USB1/USB2, you can combine ports for maximum output, ensuring all your devices, including laptops, stay powered. Compact and lightweight, it is designed for convenience without compromising performance. Supported protocols include PD3.0, PD2.0, PPS for USB-C inputs/outputs, and QC3.0, QC2.0, AFC, FCP, SCP, VOOC for USB-A outputs. Stay charged and connected on the go with our versatile 20000 mAh power bank, so you never miss a beat, even when you're away from an outlet.

Specification

- Accumulator capacity: 20 000 mAh
- Battery type: Li-ion
- Connector: USB-C (female)
USB-A (female)
- Maximal current: 3,25 A
- Packages type: box
- Total output power: 65W
- Brand: XO
- Colour: black
- Warranty: 12 month
