Buy now

Power bank Maxlife MXPB-06 with a capacity of 10,000 mAh allows for rapid charging of a smartphone or another device. The Power bank MXPB-06 is equipped with integrated USB-C and Lightning cables, which are aesthetically integrated into the device's housing. The cables can be easily removed and reattached. This clever solution eliminates the need to carry additional accessories, providing convenience and tidiness during use. The USB-C cable supports fast charging at 22.5W.
