Powerbank Forever TB-300 10000 mAh with fast charging 22.5W Forever TB-300 is a compact power bank with a capacity of 10,000 mAh and a charging power of 22.5 W, ideal for modern mobile devices. Equipped with three ports (2×USB-A, 1×USB-C) and support for PD and QC, it allows for fast and simultaneous charging of multiple devices. The built-in LED display makes it easy to monitor the battery level, and the robust construction ensures that the TB-300 is a reliable power source while traveling and for everyday use.

Specification

Battery type:	Li-Poly
Input voltage:	USB-C: 5,0 V = 3,0 A (15,0 W), 9,0 V = 2,0 A (18,0 W), 12,0 V = 1,5 A
Output voltage:	USB-C: 5V-3A, 9V-2,22A, 12V-1,67A USB-A: 4,5 V = 5,0 A (22,5 W), 5,0 V = 3,0 A (15,0 W), 9,0 V = 2,0 A (18,0 W), 12,0 V = 1,5 A (18W)
Brand:	Forever
Colour:	black
Accumulator capacity:	10 000 mAh
Connector:	USB-A (female) USB-C (female)
Maximum power [W]:	22,50 W
Warranty:	12 month
