PD QC TC-06 20W Wall ChargeThe PD QC TC-06 Forever wall charger allows for simultaneous and highly efficient charging of two devices at the same time. The 20W charger stands out with versatile support for various fast charging protocols: Quick Charge and Power Delivery, providing not only speed but also compatibility with a wide range of devices. It is equipped with two ports - USB and USB-C. The device utilizes an intelligent system based on the latest technological advancements, which automatically adjusts the current parameters to the individual needs of each connected device. This ensures that smartphones, tablets, and other gadgets are charged with optimal power, while minimizing the risk of overheating or overloading.
