Maxlife PD QC MXTC-10-30C 30W Wall Charger with USB-C Port is an advanced device that provides fast and safe charging thanks to Power Delivery (PD) and Quick Charge (QC) technologies. With precise power adjustment to the connected device, the charger maximizes charging speed without the risk of overheating or damaging the battery. Wide compatibility with various fast charging protocols makes the charger suitable for many devices. Additional modern protections guard against overload, overheating, and surges, ensuring long-lasting reliability.
