Baseus Particular is a car charger with a double USB A / USB-C PD socket with a total power of 65W, to which you can connect an appropriate cable for charging mobile devices. Thanks to the small dimensions of the charger, the device takes up little space. With the Baseus car charger, you no longer have to worry about an empty phone or tablet in the car. Equipped with high power, it will allow you to charge two devices at the same time.
