Baseus is a car charger with a single USB A socket and a double USB-C PD socket with a total power of up to 160W, to which you can plug the appropriate cable for charging mobile devices. Thanks to the small dimensions of the charger, the device takes up little space. With the Baseus car charger, you no longer have to worry about a discharged phone or tablet in the car, and the additional USB - USB-C cable allows you to use it immediately after purchase. Equipped with high power, it will allow you to charge two devices at the same time.
