High Charging SpeedTwo 18W USB-A ports support Quick Charge 3.0 technology, providing fast charging on every trip. Charge your Samsung Galaxy S20 in less than 1.5 hours, iPhone 11 in just over 2 hours, and iPad mini 5 in under 3 hours. Time Saving With a total power of 36W, the charger allows for simultaneous fast charging of two devices, eliminating the need to wait for an available outlet. Universal CompatibilityCompatible with a wide range of mobile devices, including smartphones, tablets, earbuds, and many more. It works with Samsung Galaxy S20, iPhone 11, iPad mini 5, and many other models. Highest Level of SafetyEquipped with Anker's MultiProtect system, which provides protection against overload, temperature control, and safeguards for both you and your devices. Premium Quality Design The stylish, scratch-resistant aluminum housing perfectly complements the interiors of modern vehicles, adding an elegant touch.
