CC66

XO CC66 is a car charger equipped with 2 USB-C / USB-A sockets, to which you can plug the appropriate cable for charging mobile devices. Additionally, it is equipped with two extendable cables, one with a USB-C tip and the other with Lightning. Thanks to the small dimensions of the charger, the device takes up little space. With the XO car charger, you no longer have to worry about a discharged phone or tablet in the car. Equipped with a high power of 104W, it will allow you to charge three devices simultaneously.
