THREEKEY TK23 4in1 is a wireless induction charger designed for charging smartphones, Apple watches, AirPods, and the Apple Pencil. Simply place your smartphone on the pad and the charger will start charging it automatically; do the same in the designated spot for the watch. The special place for the headphones allows you to charge them at any moment when needed. The additional charger for the Apple Pencil ensures that everything is at hand. This makes it perfect for use at home or in the office. The 4in1 charger is ideal for those who need power and prefer not to use cables.
