Baseus Simple Mini3 is a magnetic wireless charger with a power of 15 W. Enjoy unparalleled convenience while charging your phone. The Baseus Simple Mini 3 magnetic charger allows for wireless charging of up to 15 W. It is compatible with the iPhone 14, 13, and 12 series, and features built-in magnets that ensure proper adhesion. It also allows for charging your smartphone without the need to remove the case. It's worth noting the slim and lightweight design as well.
