Buy now

The Forever 3in1 MAWC-400 magnetic wireless charger is a versatile device that allows you to charge three different devices, such as a phone, watch, or headphones. Compatible with MagSafe technology, it works perfectly with iPhones and other smartphones that support wireless charging. With 15W fast wireless charging, it provides rapid energy replenishment, and strong magnets ensure stable attachment. The solid metal casing and built-in USB-C cable highlight its modern design and functionality.
