

Forever Smartwatch ForeVive Lite SB-315 black

GSM107161
5900495908360

Forevive Lite is the perfect smartwatch for people who expect their watch to always keep up with them. With a long-lasting battery, advanced sports features, a heart rate monitor and state-of-the-art Bluetooth 5.0 connectivity, you'll have plenty of options to make your life easier. The look of the watch can be customised in just a few seconds. The smartwatch gives you a choice of dials and the comfortable silicone strap comes in two colours - black or pink. The watch's envelope is made of high-quality materials, which, combined with meeting the requirements of the international water resistance standard IP67, ensures its durability and reliability. The Forevive Lite is not afraid of rain or splashing.
