SW62

Riversong Motive 6 Pro is a modern smartwatch that combines functionality with elegant design. In gray, the SW62 model is the perfect solution for active individuals who want to monitor their health and daily activities. Key features: Display: 1.83 inches with a resolution of 240 x 284 px, providing a clear image and easy operation. Battery: Capacity of 220 mAh, with a maximum runtime of up to 5 days on a single charge. Protection level: IP68, which means resistance to dust and water, ideal for use in various conditions. Connectivity: Bluetooth, allowing easy connection to a phone. Available languages: Supports multiple languages, including English, German, French, Spanish, and Polish. Weight: Only 0.15 kg, making it lightweight and comfortable to wear. The Riversong Motive 6 Pro smartwatch offers a range of health features, such as heart rate monitoring, a pedometer, and sleep tracking. With its modern design and functionality, it is the perfect companion for both everyday use and physical activities.
