Meet the XO smartwatch, available in elegant black or green colors, combining style with advanced technology. Its 1.43-inch AMOLED display with a resolution of 466x466 pixels provides an exceptionally bright and clear image. With a 250 mAh battery and a charging time of just 2 hours, this smartwatch maintains maximum performance throughout the week. The XO model is also durable and waterproof, meeting IP68 standards, making it an ideal companion for active users who appreciate technology. All of this is packaged in a stylish box, perfect for a gift for anyone who values the combination of functionality and style.
