SW905

Riversong Motive 9E (SW905) is a modern smartwatch that combines elegant design with advanced functionality, perfect for active individuals who care about their health. This model offers a range of features to help monitor daily activities and health status. Key features: Display: 2.01-inch AMOLED screen with a resolution of 240 x 296 px, providing a clear image and user comfort. Battery: 300 mAh capacity, offering a working time of up to 7-10 days on a single charge. Charging method: Magnetic charging, ensuring convenience and ease of use. Water resistance: IP68 rating, meaning it is resistant to dust and water, ideal for everyday use and outdoor activities. Sensors: Equipped with a PPG biometric sensor for heart rate monitoring and an accelerometer for activity tracking. Compatibility: Works with Android 5.1 and higher and iOS 12 and higher. Touchscreen: 2.5D glass with an anti-fingerprint coating, providing greater durability and touch sensitivity. Dimensions: 47 x 38 x 10.4 mm (without heart rate measurement base). App: Supports the RiversongFit Epoch app for better health and activity monitoring. Health and fitness features: Heart rate monitoring: Continuous heart rate monitoring to help you track your health. Sleep analysis: Monitoring sleep quality, helping to improve it. Activity tracking: Step counting and measurement of physical activity throughout the day, including support for multiple sports modes for accurate tracking of various activities. Additional features: Notifications: Receive notifications for calls and messages directly on the watch. Music control: Ability to control music playback directly from the watch. Watch face customization: Ability to change the watch face appearance to match your style. Summary: Riversong Motive 9E (SW905) is an excellent choice for those who want to monitor their health and physical activity while maintaining an elegant look. With features such as water resistance, long battery life, and compatibility with Android and iOS devices, it is the ideal smartwatch for everyday use and sports activities.
