Trinity NANO CERAMIC SMART RING - HEALTH THAT HAS NEVER LOOKED THIS GOOD. Elegantly crafted from zirconia ceramic, the Trinity ring is durable, scratch-resistant, while still being lightweight, providing comfort and redefining strength with its sleek appearance. Lightweight, durable, scratch-resistant, and waterproof. Lighter and smarter Designed with elegance and simplicity, the Trinity smart ring is an accessory weighing only 3.8 g, helping to maintain access to health indicators around the clock. Health companion, 24/7 monitor The Trinity ring is equipped with reliable monitoring sensors that help track health metrics such as daily steps and calories burned, providing insight into your fitness level. Track and improve your sleep The Trinity ring offers advanced sleep metrics such as sleep duration, quality, and stages, helping you understand how you sleep while providing tips to improve your rest quality over time. Blood oxygen level monitoring Monitor stress levels and oxygen intake with SpO2 monitoring around the clock. Heart rate at your fingertips Heart rate tracker always by your side, providing crucial information about your heart health. Maximize every workout Track all your workouts and activities, as well as calories burned, with advanced workout data tracking and synchronization with the app. Connected health, connected hearts Share and track health data with your loved ones, keeping everyone connected and motivated. Power your journey, non-stop Enjoy uninterrupted operation throughout the day, thanks to a 3-day battery life, easy wireless charging, and optimized performance. Embrace all conditions, confidently With full 360-degree waterproof and dustproof capabilities, the Trinity ring meets 5 ATM water resistance standards, allowing you to wear it in any conditions.
