Meet the XO smartwatch, available in elegant black or silver colors, which combines style with advanced technology. Its 1.32-inch Amoled display with a resolution of 466x466 pixels provides an exceptionally bright and clear image. With a 200 mAh battery and a charging time of just 2 hours, this smartwatch maintains maximum performance throughout the week. The XO model is also durable and waterproof, meeting IP68 standards, making it the perfect companion for active users who value technology. All of this is packaged in an elegant box, ideal for a gift for anyone who appreciates the combination of functionality and style.
