The Smart Pro leather cover is a combination of classic and modern style. The elegant stitching in the color of the inner material adds exceptional chic to the cover. The interior of the cover is made of soft microfiber, which effectively protects your device from scratches. On the inside of the product, there is a single card pocket, so you don't always have to take your wallet with you. The additional "stand" feature allows you to position the phone in a way that lets you comfortably watch videos or browse photos.
